Dear Mark:

Re: National ACPA Award

I want to pass along sincere congratulations to you and your company for the recognition on the WDOT Interstate 90 Project in Gillette, WY. Winning the National ACPA Gold Level award is an extraordinary accomplishment. That was \$22 Million worth of tough and intense work with Mother Nature throwing you a few curve balls. Needless to say, we are enormously proud of your accomplishment and it is a pleasure to be associated with your fine company. Cheers again to you and your excellent group of employees.

As I see from the *Daily Journal* article, tonight, December 4<sup>th</sup>, the ACPA awards are being presented. I hope you are there enjoying the warm breezes and sunshine.

Best to you and yours for a joyous and healthy holiday season. Please pass along a fond hello to Doreen and Dick.

Regards,
